Is English causing you problems?

Check what may apply to your situation:

- You have more and more English-speaking clients;
- You have just been promoted and you must now communicate more in English and make presentations in English;
- You want to travel often to the United States and would like to have more fluency when you speak;
- You have trouble understanding English expressions (idioms);
- At the office, you feel a little isolated because you can not interact with others;
- You write English as you would write French which creates confusion;
- You have sent your resume and your application wasn't selected because you are not bilingual.

We understand you

... And we know how frustrating it can be ...

English courses

Small groups

At **Loghati Language Center**, we guide and train motivated professionals who want to master a foreign language in order to have better career opportunities, to be more confident in their communications, understand and speak better.

Invest 3 months (or more *!) of your life to learn and master English once and for all!

With us:

- You learn fast (small groups 4-6 people maximum);
- You learn well (Professional English , every day English, good pronunciation, grammar (from basic to advanced));
- You practice in class with students like you (speaking and writing);
- You learn to write professional correspondence.

All in 3 months *!

«I recommend Loghati Language Center where I attended my training last fall. I live on the South Shore and it is the only language school that offers high standard courses in the region. Class notes are posted online so I can review all the lessons at home on my computer or tablet. The quality of education is excellent and targets the world of work (professional French). In terms of location, access to the center is very convenient and parking is free. »

With us:

- You will understand grammar rules better;
- You will be accompanied by teachers specialized in adult education (approved by the CPMT *)
- You will have access to online class notes on your smartphone, notebook, tablet ...;

Loghati Language Center is proud to serve clients and businesses in the region since 2010.

Choose from our 3 packages...

- You will find the pleasure of learning a new language!
